

360MAN Conference Speakers

September 11th & 12th (Optional)

Because of COVID19, we have canceled our in-person Men's Encounter and moved it to a digital platform. We are live streaming on **Friday, September 11th at 7pm from Saraland First Assembly with Rick DuBose** as our speaker and City Church in Mobile is providing the worship.

In addition, we are providing videos from leaders who have a passion to reach and disciple men for you to use in Breakout Sessions. The live link and video content will be available on our website at www.almensministry.com for FREE. The live stream for the Friday night service will go live at 6 to make sure you are connected. Then we will have pre-service activities starting about 6:30.

We are inviting churches to host their own 360MAN Conference at their local church and participate. Join with us on Friday night for the Main Session and use the videos for Breakout Sessions on Saturday morning. We have included a suggested schedule. Please register your church at www.almensministry.com.

We have a line up of incredible leaders that will speak to the heart of your men. They are proven leaders and excellent communicators. They will inspire, challenge, and encourage your men. You will not be disappointed!

With the country in shut down mode due to COVID, many men feel isolated and discouraged. Some are facing job loss or health issues. Some are gravitating back to old fleshly habits. Some are struggling in their marriages because of relational and financial stress. Some are questioning their own identity in Christ. We believe this is the moment for men to step up. They have been chosen by God to live in this uncertain season and we want them to be the men that God has called them to be.

The videos last **20-30 minutes each** and will challenge men where they live today. **The videos will be available on September 4th on our website at www.almensministry.com on the "Our Videos" page.** You will be able to download and preview them ahead of time to select the ones that you feel would be best for your men that weekend. You can use the other videos over the course of the next year in your men's gatherings.
